

Trails and Traffic Safety Task Force Meeting Notes

January 25, 2021

Present: Chris, CJ, Ben, Phil, Tiaan & Susan

Discussion items:

Reviewed several optional routes to get from Ware's Davis closer to West Burke.

CJ will add another excel spreadsheet to include the land owners needed to get to Bumps Road and then up part of Bugbee Crossing before we get back in the woods and take up another option already explored.

Chris will reach out to the Welches to see if they have a relationship with Naomi Drown as her parcel is key to one of the current options being explored. Chris will advise Phil what he learns and Phil will reach out to Niomi once CJ provides her contact information.

Any updates will be shared with the committee via email over the next few weeks.

Next meeting will be on Monday February 22, 2021 at 6pm via ZOOM
